Residential Leaf Vacuum 2018

November 5th - Mid December

- Rake leaves to the curb line. Pile Leaves away from cars and storm drains. The leaf leaf vacuum cannot reach around cars.
- **Remove tree limbs, rocks, trash, and other debris from leaves to be collected. They can damage the equipment and cause delays.**
- No bagging is necessary during the leaf vacuuming collection period.
- The leaf vacuum makes collections only from November 5th through Mid December on Mondays, Tuesdays, and Fridays.
- **Your service will occur weekly according to the scheduled day for your area. (Please see the map.) *NO collections on holidays.***
- Noise and dust may be noticeable. Dry conditions generate more dust.

We apologize in advance for any inconvenience.

- **If you bag your leaves**, please use paper yard waste bags. **ONLY PLACE LEAF BAGS OUT ON MONDAYS.** Yard waste trucks will be collecting bagged yard waste during your recycling day during this time.
